

History

St. Charles Country Club was founded in 1924. The course was designed by renowned golf course architect Tom Bendelow and dedicated in October of 1926. As a caddie at St. Charles Country Club, you will become an integral part of the finest private club in the western suburbs. Please appreciate and respect the rich traditions and history of the club.

Caddie Qualification Requirements

Eligible caddie candidates will be 14 years old by August 1st and physically capable of carrying a 35 pound golf bag for 18 holes (copy of birth certificate is required for registration).

A \$60 caddie fee is required to purchase caddie uniform.

Evans Scholarship Program

The Evans Foundation Scholarship is a magnificent opportunity and can be worth close to a hundred thousand dollars for a fortunate recipient. It is very wise to begin targeting this opportunity at the beginning of your caddie career and early in high school. Financial need, academic record, caddie record and community service are the four components the scholarship focuses on. You are able to apply for the scholarships in the summer between your Junior and Senior years.

How to apply:

Download and fill out the “Caddie Application” and drop off to the Front Desk or Golf Shop. Applications must be turned into St. Charles Country Club no later than Saturday, March 30th, 2019. We will notify selected candidates via email the first week of April. A list of selected candidates will also be listed on the website.

All selected candidates must attend a Caddie Orientation meeting on Saturday, April 13th at 1:00 p.m.
